HIGH SOCIETY 7

Everyone's heard of a thousand yard stare, but **Laura Lee's** steely gaze goes for miles. Her glance seems intimidating at first, but Laura's the kind of girl whose gaze is aimed at what she wants. "Sometimes I like to think that I can stare through the lens of a camera and all the way into the eyes of whoever ends up looking at my pictures," she says. "I imagine that I'm watching them check out my hot body and then take out their dicks and start whacking off while they look deeply into my eyes and ogle my firm, round asshole and imagine taking a nice long lick of my huge, suckling breasts." Laura blinks and smiles. Her eyes turn away and then back at her imaginary man. "You keep looking there and I'm going to make you eat it all night long," she says, without a blink.

DEEP-SEMEN DIAMOND MINING

The lure of the spoils and riches of rare gems is causing a new gold rush and hardy miners are penetrating deeper and farther into tight, dark pits looking for treasure. Like her namesake, **Aleska Diamond** is the ultimate gem, having few weaknesses and many strengths. The tan, toned, and blonde Hungarian won last year's AVN award for Female Performer of the Year. Awards are nice, but it feels really good to get back to what she's best at—spreading her tight, juicy ass for every prick who wants a piece of her. Diamonds may be a girl's best friend, but they're just rhinestones compared with the 20-carat shot of hot, soggy chunks of princess-cut spunk dribbling down her sweaty, bronzed humps.

HIGH SOCIETY PRESENTS VOLUPTUOUS VAMPIRES: **5 DECADES OF BEAUTIFUL BLOODSUCKERS**

BY RAMSEY STEELE

To celebrate the arrival of Halloween later this month, HIGH SOCIETY salutes that sexiest of the cinema's creatures of the night, The Vampire! Female vampires, to be precise! The last half-century of popular entertainment has seen dozens upon dozens of blood-crazed babes baring their fangs—and much, much more—on both the big screen and the boob tube. Join us as we take a nudity-filled, nostalgic journey through the past five decades of beautiful bloodsuckers as only HIGH SOCIETY can!

THE '70s

INGRID PITT & MADELINE SMITH IN *THE VAMPIRE LOVERS* (1970)

Evocative Ingrid and magnificent Madeline fall for an alluring creature of the night, and each other, in this intriguing and undeniably erotic vampire tale set in 18th Century Germany and produced by Britain's legendary Hammer Studios.

MARIE-PIERRE CASTELL & MIREILLE DARGENT IN *REQUIEM FOR A VAMPIRE* (1971)

French filmmaker Jean Rollin crafted this tasty treat wherein virgin schoolgirls Marie (Castell) and Michelle (Dargent) have a memorably sexy and Sapphic run-in with a suave vampire and his curvy cabal of bosomy bloodsuckers.

YUTTE STENSGAARD IN *LUST FOR A VAMPIRE* (1971)

Still another Hammer Studios vampire entry, this one concerns a lady vamp who's been resurrected by her family for another joyous descent into the bloodsucking business. The striking Ms. Stensgaard portrays the titular lustful vamp who has her way with male and female victims alike!

THE '80s

ANNE KNECHT IN VAMPIRE IN VENICE (1988)

Crazy Klaus Kinski offers his second take on the immortal vampire Nosferatu (following his 1979 rendition for filmmaker Werner Herzog) in this erotic if uninspiring offshoot of the original story. The film's most memorable moment finds Klaus seducing the succulently stacked, fuzzily furred Anne Knecht!

THE '90s

ALYSSA MILANO IN EMBRACE OF THE VAMPIRE (1995)

America's sweetheart Alyssa Milano of TV's *Who's the Boss?* put her family sitcom beginnings squarely behind her when she starred in this straight-to-video near-classic about a shapely student who's inspired to shed her wardrobe when she finds herself drawn to a handsome vampire.

NATASHA GREGSON WAGNER IN MODERN VAMPIRES (1999)

The daughter of Natalie Wood and Richard Gregson and stepdaughter of Robert Wagner, naughty Natasha took a horrific but horny plunge into contemporary vampire cinema as a hemoglobin 'ho who enjoys the nightlife of modern-day Los Angeles...and then some!

LESLIE GLASS, THERESA LYNN & MICHELLE BAUER IN VAMPIRE VIXENS FROM VENUS (1999)

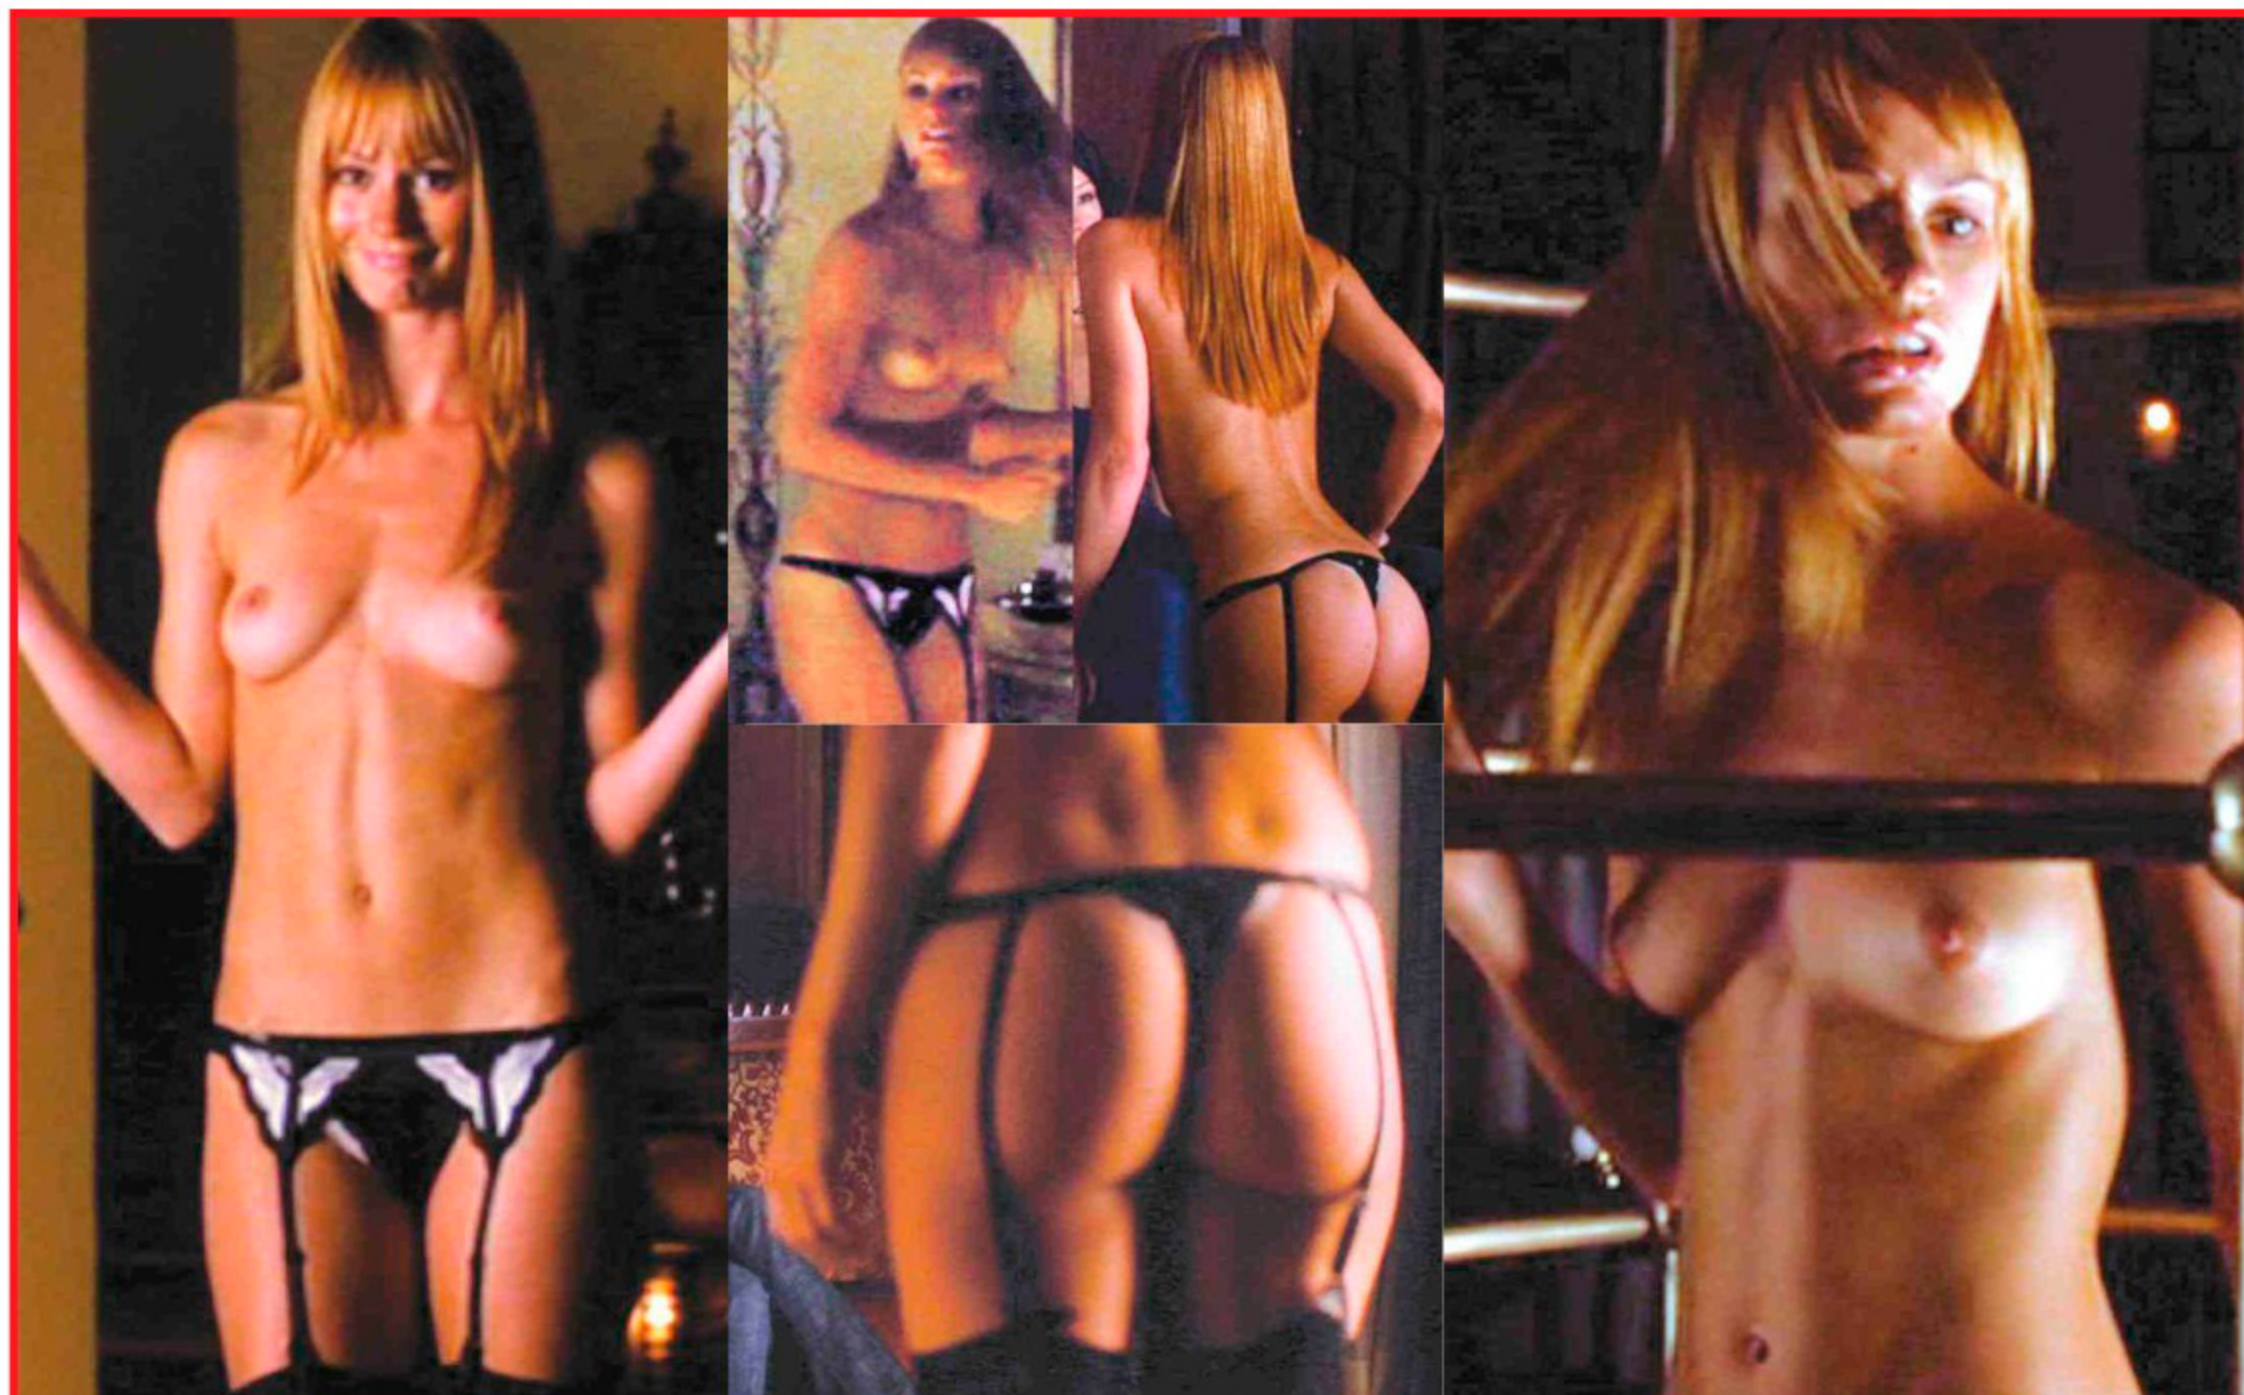

Luscious Leslie, marvelous Michelle, and titillatingly top-heavy Theresa star in this sci-fi/horror comedy as a trio of juicily jugged cosmic vamps who make their way to Earth to feed off the life energy of all the dudes that fall prey to their pulsating poontang.

THE 2000s

FATA MORGANA, SAMANTHA OLSEN & LINA ROMAY IN VAMPIRE JUNCTION (2001)

Prolific Spanish genre king Jess Franco moved into his third decade of fang flicks with the deliriously demented *Vampire Junction*, which features the none-too-subtle trio of Fata, Samantha & Lina getting comfy, horrific, horny...and naked!

CAMERON RICHARDSON IN RISE: BLOOD HUNTER (2007)

This lively neo-noir action-horror flick from Sebastian Gutierrez stars Lucy Liu as a reporter who wakes up in a morgue to discover she has become a vampire! What's her first order of business? To create some Sapphic sexual tension with the carnally crazed Cameron Richardson!

THE 2010s

NASTASSIA MALTHE IN *BLOOD RAYNE: THE THIRD REICH* (2010)

Naughty Natassia is delightfully *degarbed* as the titular lady-vamp in no less than three scenes (including a sex sequence aboard a train!) in this WWII-era shocker, the third in the venerable *Blood Rayne* series, the first two entries of which featured Kristanna Loken as its luscious leading lady.

ANNA PAQUIN IN *TRUE BLOOD* (2010)

As the leading lady of HBO's smash hit series, Anna Paquin's Sookie Stackhouse is the undisputed queen of the vampires—for now, at the very least. Having just wrapped up its sixth sensational season, *True Blood* continues to offer its oglers the finest in vampiric sex, nudity, and titillation ever seen on television—led by the frequently frisky and nominally naked Ms. Paquin, herself!

GIVE HER A HAND

Their lovemaking is sensual, provoking, teasing, probing, and sometimes it gets a bit wild! Exotic brunette **Shyla Jennings** and her best friend **Brea Bennett** are a couple of lipstick lesbians with a butch taste for a faceful of hot, gooey groin soup. They lock into one soft steamy sexual embrace after another, as though they're both trying to lose this wrestling match and be the lucky one pinned, and hopefully with a sopping pink pussy spread open a tongue-length away. Soon, the gentle lovers are asleep in their warm, moist sheets, but once their noontime nap is over it'll be high time for an early evening love-down, and sweet honeysuckle pussy is the only thing on the menu.

INNOCENT UNTIL PROVEN HORNY

33303

Lola is as young and fresh and they come, with hair of finely spun white blonde silk that smells of exotic fruits and honey. Her easily widened, big brown eyes only reinforce her image as an innocent, young woman, unaware of what's she's doing. But sweet, innocent girls are careful what they say—they don't swear like sailors, and they certainly don't talk about how good it feels to get fucked hard by a man with a throbbing cock until the two of them end up collapsing into a bed pile, utterly exhausted, hot and dripping wet, his jizz rolling down her pretty face and sticking to her cute, little button nose. Surely you don't think that all you have to do is bat those pretty lashes a couple times and we'll believe that line about being innocent, now *do you*, Lola?

100% ANAL

College seniors **Valery** and **Donna** are still trying to decide what to major in. And their pals David and Totti aren't being much help at all, distracting them from their studies, fucking them hard, and leaving them to sleep another wild night off with loads drying in their matted hair and in the corners of their mouths. It's not that Valery and Donna haven't had a chance to sit down and really think what they want to do in life—they know. They want to fuck for a living. Maybe that's why they've been here on campus for six years now and still haven't attended a single class, though everybody who's met them think they're the best thing to happen to the university since beer was invented. Somehow, we're pretty sure these two horny cum-spattered coeds are going to end up teaching one day: Dick-Swallowing 101.

LONG LIVE THE PICK-UP LINE

Story by PETER THOMPSON Illustration by WAYSHAK

"I'm afraid of the dark...Will you sleep with me tonight?"

There was a time when human behavior was so influenced by instinct all it took for a man to have sexual intercourse with an exceptionally attractive female was to point his stilted pecker at her twat and emit a low, ill-tempered, testosterone-filled grunt. *That* was considered foreplay.

Sure, life was particularly harsh and held comparatively little remuneration for those who labored and struggled

are, hoping to bust a swollen cherry onto an alluring young lady's face before sunup. This usually means you're headed off to some bar or nightclub with your friends to play the shell game of attraction against the women in attendance. Trouble is, while you think the name of the game is checkers, she's playing chess—and she's cheating.

You walk into the place and you feel the sweet spasm of excitement and nervousness as your eyes widen, trolling the crowd for acceptable trim.

Boy, could I use a tasty "pick-up" line!

ART OF THE COLD CALL

Quick: What's the best pick-up line you've ever heard? Wait. While you're trying to think of that one, when's the last time somebody cold-called you and actually sold you some of whatever-the-fuck kind of fourth-rate shit they were peddling? When's the last time you even picked up your phone and answered an unknown number? Better yet, when's the last time some-

Pick-up lines can be used anywhere, at any time, but be cautious as they have expiration dates, just like a McDonald's Fillet-O-Fish sandwich.

their entire lives to better their existence. The constant state of war and anarchy meant that at any moment some mental thug with a bone in his nose could come right along and thrash in your skull with a stick simply because he felt like it. Life was rough, but at least it was short. Surviving past age 20 with your six-inch schlong intact automatically made you an alpha male. Everything was pretty much shit, but at the end of the day there was the satisfaction of a quick, agreeable lay followed by the temporary fix of a pleasurable night's sleep.

Times have changed since women first learned (and instantly perfected) the art of refusal.

Millenniums and millennia of staggeringly twisted and perverse evolution later, we've advanced into a hyper-competitive, seven-billion-strong rat pack of felons and flakes most willing to trample each other to death just for the chance to save a few bucks on a 26-inch big-screen TV. Sure, we're a little less hairy and a lot less naked, but the struggle to find suitable poon long-ago devolved into a virtual suicide mission.

We've all been there: you shower, shit, and shave, put on an unstained shirt, and head out to where the girls

Miraculously, you see someone in particular. Your eyes meet. She holds your gaze for a few seconds and then looks away. You're completely, wholly, and totally in love, or better yet, let's just be honest—you want to use her hair as reigns while you bang the shit out of her for a good four or five minutes. Whatever the case, you have the sudden desire to be close to her. To engage her. To talk to her. That means you have to start a conversation with her (also known as "the beginning of the lies"), which is a lot like waterskiing from a beach start.

You start striding in her general direction, but you start to panic and you feel paralyzed. What the fuck do you say to a girl like this? Is there a password you're supposed to know? Sure, it should be easy, but it's not. You know from past experience that while it may sound as though she speaks the same language, men think logically while women think *emotionally*. So whatever you say is going to go through a gender-biased interpreter before it actually reaches her. If only there were some formula you could follow—like in a math problem: $A+B=C$, where A is my penis, B is her vagina, and C is my penis inside her vagina.

body cold-called you from an unknown number and you actually answered the call, listened carefully and considerately to what they had to say, and—though you weren't in the market to buy aluminum siding—you still went on to have a nice conversation with them and even became friends afterwards?

Unless you've suffered a total personality collapse or a perforating head injury with accompanying brain cavitation and loss of cerebral mass, there shouldn't even be *time* for an adequate answer to such a fatuous question. You simply mutter a quick, "Go fuck yourself!" to the shit monger on the other end of the phone and you hang up.

Well, now you know how women feel when cum clowns approach them in bars attempting to lay down some lame line. It's practically a zero sum game.

"You remind me of a championship bass, I don't know whether to mount you or eat you."

Let's be honest, pick-up lines, no matter how clever, witty, slick, or shrewd, do NOT work. At least not in the way that they're advertised. They

tend to repel women faster than an overweight man in a tank top counting the skin tags under his arms.

Pick-up lines are stale and cheesy. They are tricks, shortcuts; half-assed attempts made by jockholes and dickwads who haven't got a single clue on how else to attract a woman.

"Hey, you wanna do a 68? You go down on me, and I'll owe you one!"

Sure, a cheap, easy pick-up line may work, but only on a cheap, easy girl. And this just in: Anything short of pissing yourself and farting the melody to a Nickelback song *will* work on a cheap-ass girl. More advanced

comfortable enough to drop the skirt and latch her cankles behind her head is expensive and time consuming.

"Do you work at Subway? Because you just gave me a footlong."

While it's fairly easy to come up with lines that will get any girl already in your bed immediately out of your bed ("My dick just died. Would you mind if I buried it in your ass?", or the old standby, "Your face reminds me of a wrench, every time I think of it my nuts tighten.") there's no magic utterance or series of words, wacky limericks, or secret incantations that will get a gorgeous girl *into* your bed.

when they're not looking, but this is just sexual red-light green-light.

"I lost my virginity. Can I have yours?"

Even when executed properly pick-up lines are not guaranteed to get you laid. They are supposed to break the ice, at best. Of course, there are actually many ways to break ice—some men will use a jackhammer and some men will use a fission bomb. The modern PUA tells us that every girl you meet will immediately put you into one of two categories: I will NEVER have sex with this guy, or, I MIGHT have sex with this guy, MAYBE. Once you're categorized, there's no negotia-

If you can honestly make her LOL, you're still in the game. If you don't make her laugh, you're just an awkward dude who just farted out of his mouth.

tricks will work on more advanced women, but pick-up lines are still just that—lines.

POMPOUS PUAS

This new wave of pick-up artist (PUA) with so-called "game", who burden the Internet with their presence like an overtaxed litter box don't just use pick-up lines anymore, they have whole fucking hour-long routines memorized. Through unending exertion, transparent manipulation, pop psychology, shoe lifts, and more pubescent head games than a gum-chewing chick popping pimples while watching the WB Network, these wretched bastards actually think they have mastered the female mind. But solving a jumble in the Sunday comics is a long way from solving the String Theory that is an estrogen-powered cerebellum.

Besides, living your life for the stated goal of picking up and bedding the maximum number of women possible is a fucking full-time job. Putting in the necessary "seven hours" these experts say is necessary before a woman feels

This feat can only be accomplished by putting in the time and hard work required. For some girls, that can be all of five minutes and a lite beer; for most, however, it can take hours, days, or even weeks. And some girls just aren't going to give up the nappy dugout no matter what you say or how many negative things you recite to "raise her interest level."

"Have you ever kissed a rabbit between the ears? [Pull your pockets inside out] Would you like to?"

SHOCK & AWE

That said, the best use of pick-up lines is purely for shock and awe value. Use them to show a woman that you don't give a shit what she thinks of you and it will drive her mad. Just remember—women love to be pursued, but as soon as you bag them they begin to lose interest. Nobody wants somebody who they can have. So the PUAs tell men they have to approach and then step back, "neg" them with a slight put-down and then pursue

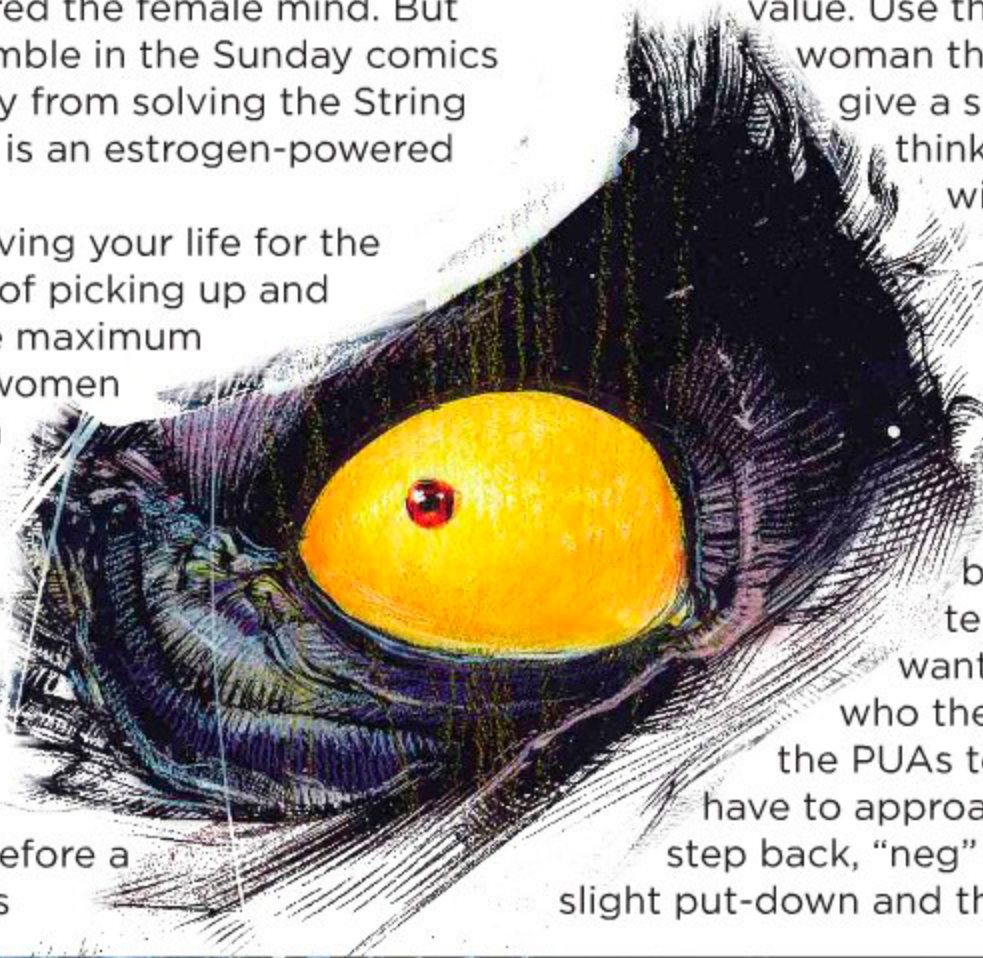

tion or reconsidering. Realize that MAYBE and MIGHT are not "yes" by any stretch of the imagination. If you're lucky enough to fall into this category, consider yourself already on probation. Any wrong move and you'll instantly be cast into the pit of NEVER. The only time you can relax is when your penis is actually inside her and you're actively fucking her. Then you're safely in the YES column.

"Are you a drill sergeant? Because you have my privates standing at attention."

Let's assume that you've done all your homework and you've trained well in the art of the pick-up line. You're dressed fashionably, but not garishly, you've gotten yourself into the best physical shape you can, and most importantly, you don't have the stink of desperation anywhere on you. You could care less if you get laid. She has to win you over if she wants some of that magic sauce you've got brewing in your tool bag.

RULES OF ATTRACTION

Of course, as times change, the rules of the game change. What scored you major tang and kept your hang-down wet with pussy all of 2004 isn't necessarily going to cut it in 2014. You're certainly not the same and she's not the same, either. Even the places where you snaked women have probably changed. In fact, today you might

meet more girls online than in real life. Some studies now show that up to half of all relationships among people under 50 start online. It doesn't matter where you meet her, so long as she's not some 42-year-old Ghanaese man with a penis pretending to be some supermodel-hot, lonely, young woman trying to scam you out of your hard-earned cash. The thing about online dating is that everybody lies. A lot. Men lie about their height and income. Women lie about everything. You know where it says "body type" and you type in "about average," "athletic," or "a few extra pounds?" If she enters anything other than "athletic" you better be driving a forklift to pick her up for your date. But the rest of that madness—the "about me" section, including her favorite movies and books and kinds of pie—those are all probably true. And you're going to hear about them forever, because there's nothing more interesting to a woman than herself and her likes and dislikes.

"Can I take you out before you start stinking up the joint and the neighbors start complaining?"

Conventional wisdom goes like this: Pick-up lines can be used anywhere, at any time, but be cautious, as they have expiration dates, just like a McDonald's Fillet-O-Fish sandwich. What's important is that the target of your intonation has never heard it before. That means all the pick-up lines that you know by heart, all the ones you've already got in your head, are now off-limits. We all know which ones we're talking about here. Most men know about seven or eight pick-up lines and they all suck. The goal of the pick-up line is to start a conversation with the woman you desire. That means, after delivering the pick-up line you've got to have something interesting to say or else you're screwed. As fun as they are to utter, sexually explicit pick-up lines tend to actually repel women.

"Do you come here often or wait till you get home?"

PUA wisdom tells us: The guiding principle for any interaction with a member of the opposite sex is humor. You want to make her laugh. If you can honestly make her LOL, you're still in the game. If you don't make her

laugh, you're just an awkward dude who just farted out of his mouth. It's important to

remember to speak clearly and confidently. There's nothing worse than saying what you think is a clever line and having her lean in with a strained look on her face only to say, "Huh?"

You've got one chance. Get it right.

(Use index finger to call her over then say) "I made you come with one finger, imagine what I could do with my whole hand."

There's a hard and fast rule that says you should never compliment a girl in any physical way. Don't tell her she has a nice body, nice hair, nice tits, or that her pussy smells nice. Women know that whatever a man talks about is something that he wishes to possess. If you must make a comment about how pretty a girl is, make sure it's about another girl. You're better off asking her a question or even playfully challenging her intelligence. The goal here is to appear sincere, no matter how insincere you really are.

Bars are by far some of the hardest places to pick up women. Book stores, music venues, even sex shops are easier places to score. That's because you can always ask a girl what she's reading, what she's listening to, or how big of an anal dildo she's buying and why

she chose that length and color. Remember: You are a nice guy. Keep telling yourself this until you start to believe it.

"I must expel some seminal fluid. May I use your body?"

GIVE HER SOMETHING TO REMEMBER

Funny is the ultimate goal—it's the safest kind of pick-up play the gash gurus recommend, as it makes you come off as a happy-go-lucky guy who doesn't give a damn. But it's got to be the right kind of funny. Sarcasm may be funny, but it's a cheap kind of funny, and tells the girl that you are a snarky son of a bitch who probably sits around making fun of everybody you see. While there's nothing wrong with this, it doesn't make a good first impression among the hair pie crowd. Your goal is to give her *something*—not your sweat-covered penis to suck on, but a laugh.

"Are you the lottery lady from TV, because I'm picturing you holding up my balls."

Even the ascended masters admit that one of the best pick-up lines isn't even a pick-up line. Girls love it when they overhear someone talking about them that they weren't supposed to hear. They can't resist it. As you approach your mark, have your wingman say something like, "He thinks this girl is so beautiful!" or something along those lines. Then, instead of whacking her on the face with your erection or giving her a line, just try to engage her in conversation, never letting on that you know that she just heard what you were saying. This gives the prey the feeling that they have the upper hand. They can relax because they know you think they're hot, but they'll (hopefully) want to know more because you didn't come right out and say it.

When all else fails, hit her with your best pick-up line. Once in awhile, it just might work!

"As long as I have a face, you'll have a place to sit."

ANGELINA VALENTINE

THE HIGH SOCIETY INTERVIEW

by Rob Perez

PORN VALLEY, CA—"I'VE NEVER BEEN THIS HONEST BEFORE WITH ANYBODY. THIS HAS BEEN THE MOST AWESOME INTERVIEW I HAVE EVER DONE IN MY LIFE. YOU'VE BEEN VERY PATIENT LISTENING TO ME AND THAT MEANS A LOT." THOSE WORDS COME STRAIGHT FROM THE MOUTH OF ANGELINA VALENTINE, THE SELF-DESCRIBED "WILDEST BITCH IN PORN." NEVER ONE TO MINCE WORDS, THE UNSUNG PERFORMER OPENS UP TO *HIGH SOCIETY* IN THE MOST IN-DEPTH INTERVIEW OF HER CAREER. ANGELINA TALKS ABOUT HER HIGHS AND LOWS, AND THE LACK OF INDUSTRY RECOGNITION SHE FEELS SHE'S EARNED. "SHIT, I BROUGHT *FLAVOR* TO THE INDUSTRY," SAYS ANGELINA. "I THINK THAT [ALONE] SHOULD GET [ME] SOME SORT OF RECOGNITION." WE AGREE. SURPRISINGLY, ANGELINA ADMITS TO HAVING A SOFT SIDE DESPITE HER PORN MONIKER. "I'M A LITTLE BIT WILDER IN MY PERSONAL LIFE," SHE SAYS. "YOU DON'T EVEN WANT TO KNOW. [BUT] I'M A SOFTIE AND I JUST WANT TO BE HELD LIKE A LITTLE BABY. I JUST WANT TO BE DADDY'S LITTLE GIRL. JUST MENTION ME AS BEING THE WILDEST, MOST INFAMOUS BITCH IN PORN WITH A WARM GOOEY CENTER. I WANT PEOPLE TO KNOW I LOVE MY LIFE." YES, MA'AM.

HIGH SOCIETY: *How long have you been in porn?*

ANGELINA VALENTINE: I started when I was 19, 20. So about five years.

HS: *I've been a fan of yours since back when you didn't do anal. Now you're known for it.*

AV: That's correct. The reason I didn't do anal then was because I had a boyfriend who was weird about it, but once it was over I was like, "Fuck you! I'm going to get my butthole reamed."

HS: *You also didn't have as many tattoos back then as*

you do now.

AV: I've always had the ones on the lower part of my sleeve,

I had a gun at my shoot and they told me, "You can't have your gun." [Laughs] I'm always pushing the limit.

the tramp stamp on my lower back, and the one on my shoulder blades. I think I brought tattoos to the industry because when I got into the business, there weren't a lot of girls that had them.

HS: *You are definitely one of the girls that brought that sort of bad-ass look and attitude to porn.*

AV: Absolutely. I stand behind that I was the one who brought it to the table and everyone can go blow one. It was me. I did it.

HS: *What would you say is one of the most perverted things you've ever done?*

AV: I'm a person that says, "Don't knock it 'til you try it," so I had an encounter with this really sexy dude and he was one of the hottest things ever. One thing led to another and he said, "I'm a bigger freak than you are."

And I was like, "You haven't seen freak until you've seen me." I have to say he was definitely a little bit freakier than I was. We started fucking, and he fucked my ass, then he started sucking my ass. He sucked my ass really hard. It was so crazy and gross, but it was the hottest thing I

there's no girl in this world that can be as freaky as me. I love to be dominating, but I want a man who's going to beat the shit out of me, sexually. I love a man who's going to be rough with me. You know how black men are, they're always rough with their women. I love that shit. You got to be hardcore. I can't respect my man if I don't have a little bit of fear of him. There better be fear.

HS: *I never heard a girl say that, not a porn girl or civilian.*

AV: In the civilian world it's hard for me to be a civilian. I've calmed down in the sense that I graduated from college, I learned a lot of work ethic, I learned how to take orders from people. My problem was I forgot how to listen to people, so school taught me how to work again and to be a part of that world. That was the best time of my life. It's sad because in today's world people will always recognize me because of my tattoos and it has an effect on me wherever I go. People don't like the tattoos I guess, which they can suck my dick because I love [them].

HS: *I read that blowjobs are your favorite thing to do to a guy. Is that true?*

AV: Yes, because I don't have a gag reflex. So when I'm doing it [they try] to make me gag, which never happens. If a guy can make me gag I literally orgasm. I love watching other girls trying to compete. I'm like, "Aww, you're so cute. Now move over bitch and let me show you how it's done." I love the fact that I'm very nasty. Throughout the whole time I've been in this business I'll never deny anything about myself. I am not ashamed and I don't regret anything.

HS: *Do you have any special technique when it comes to sucking cock?*

AV: Let me tell you something, hon. There is no scale for me to put myself on because I am the best cocksucker in the entire world. Doesn't matter the size, girth, it's going down my throat. The reason for that is, I love trying to make myself gag since I don't have a gag reflex. It just doesn't happen. One time I was on set for Jules Jordan and I was giving him a blowjob and he was starting to look a little pale. Jules wasn't looking so good and I asked him if he was okay. All of a sudden his pants were down by his ankles and this motherfucker plops down as big as he is, and has a seizure. I thought, "I killed him by sucking his cock. What are we going to do?" It was the most serious thing I have ever witnessed in my life. He was twitching, but the first thing he did when he got up was say, "What's up?" I was

have done ever. It was hot. It felt like a leech was sucking my soul. It was unreal!

HS: *You don't see that a lot in porn.*

AV: I'll do it. I get in a lot of trouble because I'm not allowed to do certain things like blades near my pussy. I had a gun at my shoot and they told me, "You can't have your gun." [Laughs] I'm always pushing the limit.

HS: *Is it fair when people call you "Porn's Wild Girl"?*

crazy. I'm a firecracker, I'm a hothead, but I don't go to jail as much and I don't run dudes over with my car anymore. I have more of an urge to contain myself and I'm not ashamed of anything that I've done, and I'm actually proud of the things I stood up for and I always will. I root for the underdog. If I see anyone get picked on you better back off or Angelina Valentine is going to whip that ass.

HS: *You once said confidence is sexy. Why is that?*

My fantasy is to get gangbanged by a bunch of guys. I want to get passed around like a basketball.

AV: I am pretty wild, I have no shame in my game, I never regret a thing that I do, and instead of regretting it if there's anything I could do over again I would do it the exact same way at the exact same time. That's who I am—don't get me wrong, I'm still pretty

AV: Oh, fuck yes, dude. Confidence is the Number One thing for me. I would never have a threesome with a girl because first of all, I don't want to embarrass the broad. She might go crying back to her mom having nightmares for the rest of her life. Secondly,

going to kill that motherfucker. I don't know what his deal is, but every time I'm around him I'm like, "Please don't die on me." [Laughs]

HS: *Is it true that when it comes to guys with small cocks you won't deal with them?*

THE FUCK FACTS

Birthday: September 19, 1986

Birthplace: Lexington, KY

Height: 5'4"

Weight: 110 lbs.

Measurements: 34D-24-35

AV: No. That's not true at all. I used to be a size queen, but you know what? I've learned over the years that a lot of guys with small cocks can work it better than dudes with big dicks, to be honest. They know how to work that shit. They've totally changed my mind about that shit. Guys with small cocks, they are rock hard.

HS: *Have you ever done a gangbang on film or in your personal life?*

AV: My fantasy is to get gangbanged by a bunch of guys. I want to get passed around like a basketball. But, yeah, I have and it sucked because I got the worst people. I wish I could name-drop. There were a couple of good guys and then one of the guys was like, "I'm going to be late for a dentist appointment. Can we hurry this up?" I had never done a gangbang, had only done one anal scene with Lexington Steele, so I was a little bit nervous. These guys could not keep in sync for

to make you miserable. And as long as they're talking about me, fuck it. I must be doing something right. When I get hated on, like my vagina is throbbing right now, I'm going to rub one out. There's something that gets me going when I hear people talking shit.

HS: *Are you a nymphomaniac?*

AV: I'm more than a nympho, honey. 100 percent! If I were categorized, I would be not just called a nympho, but I would be called a psycho nympho. I'm beyond that honey. There's not a word to describe what I am.

HS: *How often do you masturbate?*

AV: Oh god, like every couple of hours. I can't help it. I have a clit ring and my pussy is so adorable. I don't know how it has remained so tight, but I love to play with my clit. I like to smother guys with my whole vagina. I like to spread it and put it under their nose. I'm a brutal

some of these fans they be coming packed. If you're packing I'm like, "Can I call you later?" I love to watch a man jack off to me because I know they're getting turned on by me and about to bust a load because of me.

HS: *Do you think you'll be doing porn for a long time?*

AV: I think I'll be directing porn. I think I'll be involved in it because, c'mon, I'm a slut. I can't help it, I love the stilettos, love the short skirts, huge fake tits. I'm not ashamed to say my lips are injected. C'mon people don't you get it? Of course they are. I'm not one of those people who deny it. That's the only thing on my body that's been altered. People assume my nose is fake. My ass is 100% real. It got a little bit thicker when I stopped doing drugs. [Laughs]

HS: *What's the worst porn star type question you get asked most often?*

I'm a firecracker, I'm a hothead, but I don't go to jail as much and I don't run dudes over with my car anymore. There is no scale for me to put myself on because I am the best cocksucker in the entire world. Doesn't matter the size, girth, it's going down my throat.

nothing. I was flopped around like a hot potato and it was embarrassing. I felt like they were more consumed with touching their ball sacks than they were really getting down on me. It was so terrible and I just wanted to get a good gangbang going on. And not just throw anyone in there. I want some brothers, I want Asian dudes, I want some Latin dudes. I want them all. I want the biggest fucked men you can find. Not just these white weirdo dudes. I want to feel like I'm being kidnapped. That's like my ultimate fantasy.

HS: *Do you think that because you are a lot to handle sexually, a lot of guys may be intimidated to perform with you?*

AV: Actually, they love it, believe it or not. I don't care. I learned over the years that misery loves company. If they're miserable they're going to do whatever is in their power

bitch when it comes to some shit like that. And I love a guy that can cum in your pussy and go back down there and lick my snatch after he busts a load. I'm very stimulated by my clitoris. Get away from me or I'm going to smother you with my asshole. That's how it goes.

HS: *I know you've done a "fuck fan" [porn] series, but have you ever hooked up with fans?*

AV: Damn right. Hell, yeah! Let's just put it like this. I am a very versatile young lady and I don't have many limitations. My limitations are no redheads because it freaks me out a little bit and nobody that is super-grabby. One of those guys that thinks they can just grab and grab and grab. I'll knock them out. They had better not grab my ass without my permission. Guys with too much confidence have small penises. I'm like, "Dude, you're making me yawn." Let me tell you something,

AV: Oh my god, "What's your favorite position? Like really dude, shut the fuck up." Nobody cares what your favorite position is. You know what I like? I like the fact that people underestimate me. Yes, I may look cute and innocent even with my tattoos I still have this happy-go-lucky little girl charm to me, but when I get on camera I make love to the camera and the audience, not necessarily the talent. I get on there and I fuck. I kind of want to scare people.

HS: *At the end of the day do you get off on shocking people?*

AV: Oh my god, that's the only way I can cum.

PRETTY.DIRTY VOL. 4

JESSA RHODES

ASHTON PIERCE

ALEXIS MONROE

MADISON CHANDLER

By Acme Andersson

STARRING: JESSA RHODES, ASHTON PIERCE, ALEXIS MONROE, AND MADISON CHANDLER WITH XANDER CORVUS, ANTHONY ROSANO, AND BRUCE VENTURE **DIRECTOR:** EDDIE POWELL **STUDIO:** NEW SENSATIONS

If you're going to hook up with a girl you might as well make it a pretty dirty girl, and director Eddie Powell has put forward four fantastic possibilities to select from. You don't even have to select—you can have them all!

Each of the four has her own special attributes that she would like to present to you in hopes of garnering your attention. For instance, **Jessa Rhodes** has little tits, a plump ass, and eyes that will immediately get any guy hard. **Ashton Pierce** is a plump-titted softie with key piercings, tattoos, and an easy smile. **Alexis Monroe** is a busty blonde with a shaved hole who likes watersports. Lastly, **Madison Chandler** is a doughy-faced college girl who is just looking for kicks, which she just happens to get testing out new guys' dicks.

Select which one you like, or take them all—the girls in *Pretty Dirty 4* from New Sensations are all wet and eager to satisfy, but don't wait too long, freaky fucks like these girls always have plenty of guys waiting to give them a try.

Jessa Rhodes & Xander Corvus

Jessa Rhodes is a slender stunner with small, natural tits, a generous and grab-tempting bumper, and California blue eyes that burn with sultriness. It doesn't take a porn stud to note these outstanding features, but it takes an exceptional man to match the fire within Jessa—and Xander is willing to give it a try. She is neither shy nor passive, helping Xander find his peak hardness every way possible, which admittedly doesn't take much when face to face with beautiful Jessa.

She sucks sweetly at his cock, careful not to trick him into melting in her mouth, but guiding his stiffening juices into his shaft, then she lets him put his mouth on her smooth pussy, shaved neat for the occasion and dripping wet with the anticipation of getting her pussy beaten by his stick. The smell and taste of her pussy lingering on his mouth, Xander slips his cock into her pink cubbyhole, her moist tightness slowly giving way to his entrance, her moans falling out of her moaning mouth as she gets a full shaft in her velvet pouch.

Shifting gears, he bends her over to fill her doggie style and her screams grow muffled as he slams into her pussy, sending her face burrowing into the blanket. Jessa's saved up her energy for a cowgirl ride and she bounces on his dick, her booty dancing as she helps his cock knock on her snatch walls so intensely that at one point she needs to chomp on the blanket just so she doesn't scream her head off. But his head does come off—or at least, release—a stream of white that seems to quench her fire, if only for the moment, by popping onto her nylons.

Stunning California blonde Jessa moans her mouth off while repeatedly receiving a full-shaft to her velvet pouch.

Young, busty, and fabulously tattooed, we loved watching Ashton's bald pussy get pounded as well as her impossible-to-ignore rack flap in the breeze.

Ashton Pierce & Anthony Rosano

There are so many ways to describe Ashton other than simply beautiful, which she obviously is. Young and busty, fabulously tattooed, sweet-eyed and tight-lipped, and we are not talking about her being able to keep a secret. Ashton was young when she started attracting the attention of horny suitors, but the over-endowed charmer still manages to keep her hole in tip-top shape and as tenacious as it was back when she first gave it use.

Anthony pushes slowly into Ashton's hole and we can almost hear it stretch to accommodate his tool, Ashton pushing her ass

up as she bends over, her tits grazing the couch, as her cunt gets ready for the acrobatics that follow. She gets on top into reverse cowgirl and we are forced to choose from watching her bald pussy with its piercing getting banged and her impossible-to-ignore rack as it bounces like a pair of basketballs as Rosano does his best to palm each of them.

By the time he's done giving her a long fuck, Rosano makes his choice about how he wants to lay his load with this busty doll and he wants to pop it fresh on her tasty marshmallows. She sits on the couch facing him, rubbing his cock between her tits, then giving him a hand, jerking his cum all over her breasts.

Alexis Monroe & Bruce Venture

The bathtub hasn't been this much fun since your rubber ducky went mysteriously missing. Now there's a new toy to sink in the bubbles and her name is Alexis. While most get into the tub to clean up, it only makes Alexis feel dirtier. She gets Bruce started with a dirty rub-a-dub blowjob and it gives Venture the power to pick up the blondie and nearly hold her up with nothing more than his prick in her twat—which gets Alexis howling like mad.

Setting her down on the edge of the tub only allows him to bang her harder, and the bathing beauty is receptive to his ramming,

relaxing and tossing her head back as she receives his pleasure. She gives him some more oral and then they switch things up, putting her on top to do a little of the work and she howls as she grinds on his big dick and he lets her go until he's ready to take charge again.

Sensing this good thing is going to soon come to an end, he presses her up against the glass and pounds her from behind, which turns out to be the final leg of this sexy jag. She offers up some oral favors—believe it, the girl can deep throat him—and she jerks him as he cums, letting him spray her tits before taking the last drops into her mouth with a smile.

Sexy Alexis Monroe is more than receptive to Venture's ramming, relaxing and tossing her head back as she receives his pleasure.

Once on top and forced to focus on getting her man off, Madison slips out of model mode and gets more hardcore with Xander's hammer.

Madison Chandler & Xander Corvus

The show's finale introduces us to Madison, a young and innocent-looking girl who deceives on at least one of those because she is *guilty*—guilty of banging this guy for the camera and forcing him to spew his load all over her body. Madison is petite and sports some girlish doughiness, but she's a plucky girl and ambitious when it comes to getting cock in her coed love hole.

Xander offers the girl a bit of a massage, but it's just his way of feeling the girl out. She goes along with him and soon he's got his tongue between her legs, then gets his fingers in there, and finally she can't take anymore—she needs his cock in her mouth. She does

not go lightly, gagging madly as she does her best to lodge his penis completely in her throat. Somewhat successful, they move on to her pussy and he fits perfectly into her snatch, which sets her purring as she seems to be in constant sex kitten pose mode.

Once on top and forced to focus on getting her man off, she slips out of model mode and gets more hardcore with his hammer, grinding on his dick and cumming the first time, making his balls a glistening trophy to her success. Xander is eager to give her something else to think about, so he gets back on top and down to business, pumping away until he pops all over her tits, stomach, and even leg. Certainly more than a mouthful!

PRISONER RELEASE

Prison inmates are often lonely, bored, and act out whenever they start to feel the strain of long lengths of confinement. Some play the blues on a harmonica, others bash their heads against the steel bars. **Ice** was picked up for indecent exposure, and with ever-tightening three strike laws, she expects to spend the next 20 years in this place. Of course, you can imprison someone's body, but you can't lock away their mind. And Ice has enough filthy thoughts stored up for several life terms. After all, anybody who smiles like that when the handcuffs are placed on her wrists must be thinking about anything but reforming her ways.
